Oh where are you now

pussy willow that smiled on this leaf?

When I was alone you promised the stone from your
heart

my head kissed the ground

I was half the way down, treading the sand

please, please, lift a hand

I'm only a person whose armbands beat

on his hands, hang tall

won't you miss me?

Wouldn't you miss me at all?

The poppy birds way

swing twigs coffee brands around

brandish her wand with a feathery tongue

my head kissed the ground

I was half the way down, treading the sand

please, please, please lift the hand

I'm only a person with eskimo chain

I tattooed my brain all the way...

Won't you miss me?

Wouldn't you miss me at all
