You feel me

away far too empty, oh so alone!

I want to go home

Oh find me inside of a nocturn - the blonde

how I love you to be by my side

they wail...

the crowd on her side

she straggled the bridge by the water...

She misses her crawl

far ley grew

heady aside in a dell

inside an eye be the lonely one, my bride

how I leave on the waddling wheel

they flail...

a gasp shringing

a bad bell's ringing

the angel - the daughter...

You feel me
