Grooving around in a trench coat
with the saturn on trail
Seems to be all around in tin and lead pail, we pale
Jiving on down to the beach
to see the blue and the grey
seems to be all and it's rosy-it's a beautiful day!
Will you please keep on the track
'cause I almost want you back
'cause I know what you are
you are a giglo aunt, you're a gigolo aunt!
Yes I know what you are
you are a gigolo aunt, you're a gigolo aunt!
Heading down with the light, the dust in your way
she was angrier than, than her watershell male
life to this love to me - heading me down to me
thunderbird shale
seems to be all and it's rosy - it's a beautiful day!
will you please keep on the track
'cause I almost want you back
'cause I know what you are
you are a giglo aunt

Grooving on down in a napsack superlative day

some wish she move and just as she can move jiving
away

she made the scene should have been-superlative day

everything's all and it's rosy, it's a beautiful day

will you please keep on the track

'cause I almost want you back

'cause I know what you are

you are a giglo aunt...
