Maisie, Maisie, Maisie, Maisie...

bad luck, bride of a bull

strode out to meet Maisie in the evening light

Maisie, his illuminous grin put her in a spin

Maisie, lay in the hall

with diamonds and emeralds

Maisie, Maisie...

bad luck - the bride of a bull

Maisie lay in the wall with her emeralds

and diamond brooch, beyond reproach

bad luck - bride of a bull

strode out to meet Maisie in the evening light...

Maisie
