Got it hit down  
spot knock inside a spider  
said: "That's love yeh, yeh, yeah!"  
said: "That's love yeh, yeh, yeah!"  
said: "That's love - All know it  
TV, teeth, feet, peace, feel it...  
That's love, yeh, yeh, yeah!"  
That's love, yeh, yeh, yeah!"  
I like the fall that brings me to  
I make a cord around sinew  
Duck the weight and east is less  
Deep craving of the metal west  
hell tomorrow's rain and test  
hell tomorrow's rain and test  
Love an empty sun and guess  
dimples dangerous and blessed  
Heaving, arriving, tinkeling  
mingling jet and statuettes  
seething wet we meet in fleck  
seething wet we meet in fleck  
lines and winds and freeben half

each fair day I give you half  
of each fair day I give you half  
I look into your eyes anew,  
laying in the sun for you...  
Blam, splattered, tactile, engine  
heaving, quacky, squeaky, dormy, roofy, wham  
I'll have them mind blown  
broken jardy, cardy, smoocho, poocho, paki, puffi  
splosh eat moxy, very smelly,  
cable, gable, splinter, shaddle  
top the seam he's taken off  
rats, rats lay down flat  
we don't need you, we act like that  
and if you think you're un-loved  
then we know about that...  
rats, rats, lay down flat!  
yes, yes, yes, yes, lay down flat
