I really love you and I mean you  
the star above you, crystal blue  
Well, oh baby, my hairs on end about you...  
I wouldn't see you and I love to  
I fly above you, yes I do  
well, oh baby, my hairs on end about you...  
Floating, bumping, noses dodge a tooth  
the fins aluminous fangs all 'round  
the clam is dark below the boulders hiding all  
the sunlight's good for us  
'Cause we're the fishes and all we do  
the move about is all we do  
well, oh baby, my hairs on end about you...  
Floating, bumping, noses dodge a tooth  
the fins aluminous fangs all 'round  
the clam is dark below the boulders hiding all  
the sunlight's good for us  
'Cause we're the fishes and all we do  
the move about is all we do  
well, oh baby, my hairs on end about you...  
I really love you and I mean you

the star above you, crystal blue

Well, oh baby, my hairs on end about you
