"Armslength"

The world is ending as we're both just standing still
And you've got an angel sleeping on your windowsill
Do we love ourselves in the name of god?
Do we learn to love when it's all we've got?

Well I do
Yeah, I do
Because our love was fleeting
Yeah, we should
When everyone's leaving

I love you, but this boat will not stay afloat
We're sinking as I'm tearing out your throat

Do we love ourselves in the name of god?
And do we learn to love when it's all we've got?
Well I do
Yeah, I do
When our love was fleeting, oh
Yeah, we should
When everyone's leaving

'Cause you are my own
Just hold on to me
'Cause you are my own
