Twelve days to fall in love...

(Chorus)

Twelve days ain't enough  
for us to fall in love  
I'm dreaming of you day and night  
Tell me baby what we didn't do right  
'cause we were kissing under the mistletoe (oh)  
but lonely when we had to go  
Baby twelve days, (twelve days), twelve days  
ain't enough, ain't enough to fall in love

On the first day of Christmas  
I was by myself, it was only me  
On the second day of Christmas  
I met you downtown by the Christmas tree  
On the third and fourth day of Christmas  
you were on my mind...  
By day six I gotta admit  
I wanted to give us a try (oh right)  
(Chorus)  
Twelve days ain't enough  
for us to fall in love  
I'm dreaming of you day and night  
Tell me baby what we didn't do right  
'cause we were kissing under the mistletoe (toe)  
but lonely when we had to go  
Baby twelve days, (twelve days), twelve days  
ain't enough, ain't enough to fall in love

On the seventh day of Christmas boy  
I swear that we were feeling like  
we were both skating on ice  
Me and you, you and me  
kissing under red and green lights  
By day ten, I knew then  
you would soon be gone.
