E-E-Extra extra extra (x3)
Extra extra extra (uh huh, uh huh)

I got this issue girl
With the things that you been sayin
Ain't tryin diss you girl
But I'm done with the games your playin

I tell you all the time
To stay up out of my biz
But you can't mind your own
And that's what the issue is

So when you say that's it's all good
And act like everything's gonna be fine
Then you see me with my boy
You do the same thing you do all the time

You be like "where he at?"
And "where you goin?" (where you goin?)
"whos that textin?"
And "who you callin?" (who you callin?)

I won't take it personal
Cuz you just hate on everything

(Chorus)
She's on the extra extra extra
You can read all about it

She's got an issue
With me being with you

She's on the extra extra
Why you got to be so extra extra?(x2)

You make excuses
Sayin that he ain't missin nothin
I'm on the phone with him
And your behind me sayin things

You act like the police of our love

But your tryna mess it all up

You need to fall back
Get off my back
(My back)

So when you say that's it's all good
And act like everything's gonna be fine
Then you see me with my boy
You do the same thing you do all the time

You be like "where he at?"
And "where you goin?" (where you goin?)
"whos that textin?"
And "who you callin?" (who you callin?)

I won't take it personal
Cuz you just hate on everything

(Chorus)

Jacque Nimble (Jacque Nimble)
Let me put these chicks
In their place real quick

Instrumental (Instrumental)
That's what I'm about to rip
When I spit on this

Extra ordinary flow
Hysteria everywhere we go

On the track
Jacque, Mandy, Mo
It's like go-go gadget
Expect a show

We bout to blow
Respect the dough
Cause it's so incredible

When the school girls
Comin through the party yo
There's just one thing
That we got to know

Why you gotta be so extra extra? (x3)
Always so extra extra

(Chorus x2)
