Oh, we gon' get it, yeah we gon' get it
We gon' get it, yeah we gon' get it
We gon' get it, yeah we gon' get it
We gon' get it, yeah we gon' get it

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

Gotta get brand new shoes and a bag
I'm going to the mall to step up my swag
Wait 'till they see these pop star sneakies
I swear, them squares wanna be me
We spending big cheese on pastries
Even if they want to, them haters can't hate me
Looking so fly, gotta get my nails done
Candy paint, neon, got even bubblegum
When we go shopping there ain't no stopping
School gyrls, you know we get it popping
Do the dance, cash money, credit card
Do the dance, ch-ch-charge

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

Oh, we're going to the mall
And we gonna buy everything I want
Gucci, Fendi, Prada, I might buy it all
Gon' get it, yeah we gon' get it
We gon' get it, yeah we gon' get it
See it and you want it, go ahead and charge it
Big money over here, yeah we gonna get it all

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going

Spending all my dough at the store
All my dough at the store
Need a few more dollars at the bank
Cause when I wake up I got straight to the mall
Yeah, give me that, give me that, I want it all
I got my own stuff cause I'm miss independent
Got a part time job but I'm full time spender
They say I need to stop cold turkey
Right after thanksgiving
Everything's on sale, oh I love retail
If you got a bargain, hit me on my e-mail
Time to get it started, this is for my females
Do the dance, cash money, credit card
D-Do the dance, ch-ch-ch-charge

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall

I said we going to the mall
Going, going to the mall
Going, going, going

I said we going to the mall
Going, going to the mall
Going to the mall
Going, going to the mall
I said we going to the mall
Going, going to the mall
Going, going, going
