Don't expect me to fall in your category
Or match up to the story
Of a typical young lady
That just ain't me, no
I've erased a web outside your circle
Made my own decisions
Not caring about collisions
Though people tried to change me

They show me the mall
They say come fit in
They say here's your box, come get in
They like to fit me in this world
But they failed to remember

I'm not just a girl
I'm much more than that
I'm a leader and a fighter
I'm not just a girl
I'm bigger than that
I'm stronger and I'm wiser
I'm not just a girl
I'm no longer carrying it out
The world will hear me out
I'll strive and fight
Until they discover
I'm not just a girl

Don't get mad cause I beat you at your own game
And I made my own rules to play
And I did it with style and grace, your face yeah
No one wants to bash it up and listen
I was made a little different
And I know you see the difference
You was tripping

Don't show me a mole
Then say come fit in
Don't say here's your box
Come get in
You like to fit me in you world
But you failed to remember

I'm not just a girl
I'm much more than that
I'm a leader and a fighter
I'm not just a girl
I'm bigger than that
I'm stronger and I'm wiser
I'm not just a girl
I'm no longer carrying it out
The world will hear me out
I'll strive and fight
Until they discover
I'm not just a girl

I've got life to do, I'll go get it
I may drive away about my business
I am not afraid, I am fearless
Please don't walk away, you should hear this
I may stumble, I may fall
Will I give up? Not at all

I'm not just a girl
I'm not just a girl
I'm much more than that
I'm a leader and a fighter
I'm not just a girl
I'm bigger than that
I'm stronger and I'm wiser
I'm not just a girl
I'm no longer carrying it out
The world will hear me out
I'll strive and fight
Until they discover
I'm not just a girl

I'm not just a girl
I'm much more than that
I'm a leader and a fighter
I'm not just a girl
I'm bigger than that
I'm stronger and I'm wiser
I'm not just a girl
I'm no longer carrying it out
The world will hear me out
I'll strive and fight
Until they discover
I'm not just a girl
