School Gyrls:

I love it when the light shines on me  
I love it when the light shines on me  
I love it when the light shines on me

Natalie

This has been the longest week of my life  
And I'm about to take it out on my new heels tonight  
I've got my new dress on and down the stairs I run  
It's not for you, I'm only doing this for me  
tonight

Monica:

I don't need a drink to get me fired  
And if you're coming let me hold your fire

Lauren:

I'm about to wind it up and let it go  
You pay admission just to watch the show hey

School Gyrls:

I love it when the light shines on me  
The light shines on me  
The light shines on me yeah

I love it when the light shines on me  
The light shines on me  
The light shines on me

~Till the power goes out  
~Till the power goes out  
~Till the power goes out  
We gon' dance, dance, dance

Don't need nobody, won't be lonely  
Nobody to hold me, I just wanna dance, dance, dance

Rae:

There's something about the music got me rocking  
right  
Whipping hair and head under the strobing lights  
It's like I gotta run this town, I'm 'bout to shut

it down

The beat is pumping pumping, got me feeling so alive

Monica:

I donâ€™t need a drink to get me fired

And if youâ€™re coming let me hold your fire

Lauren:

My girls are with me, Iâ€™m never solo

The way we do it always steals the show hey

School Gyrls:

I love it when the light shines on me

The light shines on me

The light shines on me yeah

I love it when the light shines on me

The light shines on me

The light shines on me

â€˜Till the power goes out

â€˜Till the power goes out

â€˜Till the power goes out

We gonâ€™ dance, dance, dance

Donâ€™t need nobody, wonâ€™t be lonely

Nobody to hold me, I just wanna dance, dance, dance

Sade:

Those gyrls school with the remix and the break goes  
like itâ€™s the remix

And the power so we ainâ€™t leaving, tell â€˜em all we  
donâ€™t need no reason

Let the beat go and bass big, we ainâ€™t going  
nowhere just face it

If you didnâ€™t know

School Gyrls:

We gonâ€™ dance, dance, dance

â€˜Till the power goes out

â€˜Till the power goes out

â€˜Till the power goes out

We gonâ€™ dance, dance, dance

â€˜Till the power goes out

â€˜Till the power goes out

â€˜Till the power goes out

We gonâ€™ dance, dance, dance

I love it when the light shines on me

The light shines on me  
The light shines on me

I love it when the light shines on me  
The light shines on me  
The light shines on me

â€˜Till the power goes out  
â€˜Till the power goes out  
â€˜Till the power goes out  
We gonâ€™ dance, dance, dance

Donâ€™t need nobody, wonâ€™t be lonely  
Nobody to hold me, I just wanna dance, dance, dance

â€˜Till the power goes out  
â€˜Till the power goes out  
â€˜Till the power goes out  
We gonâ€™ dance, dance, dance
