I WONDER WHAT SHE'S DOING TONIGHT

Barry and the Tamerlanes

Can't help it if I wonder, wonder what she's doin'
Can't help it if I wonder what she's doin' tonight
(Tonight) oh where can she be? (tonight)
As I sit alone I just can't help but wonder
If she still thinks of me
Can't help it if I wonder, wonder what she's doin'
tonight
(Tonight) oh I wish I knew (tonight)
Is she in somebody's arms and is he holding her
The way I used to do?
Can't help it if I wonder what she's doin' tonight

I thought that I could do without her
Thought that I could get along just fine
But I was wrong
For ever since we said goodbye
I just can't seem to get her off my mind

Can't help it if I wonder what she's doin' tonight
(Tonight) if she only knew (tonight)
That I'm sorry and I'm still so much in love with her
I wonder what she'd do
Can't help it if I wonder, wonder what she's doin'
tonight (tonight)

(repeat title and fade) Crapo
