Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignored the dreams, too many lies
Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late
Never too late

3 AM
The painted cow
You ain't stoppin' us now
Wonderful human beings
Yeah, I am the Junglist soldier

Come On! The rocket launcher stops ya
It's not a bird, it's not a plane
It must be Dave who's on the train
Wanna wanna get'cha, gonna gonna get'cha
Tell them that I told ya

Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignored the dreams, too many lies
Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late
Never too late

Alright
Are you ready? It's not a game
I chant so much, I turn you insane
Wanna wanna get'cha, gonna gonna get'cha
Messing up the area

Come On! I am the freshman
Messing up the jam
Turning up the stereo
Join the caravan

Skippy, the rain won't come

Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late
Never too late
