I don't want to be in a box until I'm gone
Simplified, don't even try
You know you don't belong
Read my mind you know that I guess I have it all
Hold me down where I can watch the water fall

Are you complicator
Are you complicator
Well I'm just not how all over
Are you complicator

Are you complicator
Are you complicator

Well I'm just not how all over
Are you complicator
Complicator, Complicator
Complicator, Complicator
Complicator
