I'm flying over the city  
In a suit and tie  
And don't my dog look pretty  
But that's just a dog's life  
The world outside is red  
But my room is blue  
And it will keep me save  
But I don't know from who

--Chorus--

And sometimes I find what I need  
Sometimes I don't find anything  
But I'm waiting on that day to come  
I'm waiting on my heart to sing  
Now I'm speechless  
I am tongue-tied  
I am speechless  
And it's all bottled up inside

Another drink  
Would make me feel much worse  
But maybe that's just what I need  
To break this awful curse  
And in my one room apartment  
High above this town  
I'm always trying to use  
The things that will bring me down

--Chorus--

It's all bottled up inside  
And I feel half alive  
I can't open my eyes  
I'm getting lost in this disguise

--Chorus--

I am speechless  
I am tongue-tied  
I am speechless  
And it's all bottled up inside
