Ma ba elo o e bi to ba fe
Anywhere you go my baby
I would be there with you
Ma ba elo o e bi to ba fe
Anywhere you go my baby
I would be there with

VERSE 1

Girl you are made of gold diamond and pearls
It's really obvious I want nothing else
You have the act that most divas lack
You are the dream I have always had
Girl na you be the one way I don't talk say my girl mofe fi
e shaya
You know I will be there and I will be stuck to you
Right to the end...

CHORUS

Girl
Everywhere you go
Everywhere you be
I swear na only you way go dey dey for my mind
Ma ba elo o e bi to ba fe
Anywhere you go my baby
I would be there with you
Ma ba elo o e bi to ba fe
Anywhere you go my baby
I would be there with

VERSE 2

Girl you could be my B I could be your J
I know for certain you know what I can do
Refer to places that you have never been
Sure I will pay your bills treat you like a queen
Say it's you that I want and really long for
Baby we can never go wrong
You know I'll be there and I will be stuck to you
Right to the end...

(CHORUS)

RAP

Who's this pretty girl come from afar
She look so fresh like oh my gosh
Hey I like the way she walk, like the way she walk and
she moves her body

Hey I got plans to take on a date then then then a
holiday
Hey girl after all the play am a take her back to abj
Girl na you be the one way I don talk say my girl mofe fi
e shaya
You know I will be there and I will be stuck to you
Right to the end...
(CHORUS)

BRIDGE

Have being around the world and have seen a lot
Of girl but still is you I want my baby (baby)
Have dated many times have written many rhymes
But for you I sing these lines my baby
(CHORUS till fade)
