Nana nana I-I-love
Footsteps of love
I'll love you forever
Fever of you tonight
I will scare you
Ho ohh.

(Corus)

Tonight I'm in love
With you, be with
You forever love
Footsteps of love
I'll love you forever
Nearves of you tonight.

Oh my goodness the track
Is the back track come
In and save me tonight
Footsteps in the snow
Footsteps of love
I will be yours forever

(Corus)

Tonight I'm in love
With you, be with
You forever love
Footsteps of love
I'll love you forever
Nearves of you tonight.

And I don't know who
Can here me callin
Cuz now one, two, three

(Corus)

Tonight I'm in love
With you, be with
You forever love

Footsteps of love
I'll love you forever
Nearves of you tonight,

Tonight I'm in love
With you, be with
You forever love
Footsteps of love
I'll love you forever
Nearves of you tonight.

Now cuz I'm in the sky,
Un you can't see me
But I can see you
I will always love you
But do you love me?

Me me me me me me me love me
But do you love me?
