This is my odysee, this is my illusion.

I'm lost in a dream of you and me, so caught up in confusion.

When will love be immortal, and truth be pure and free?

I was born to find the light, this is my oddysee.

This is my odysee!

This is my odysee, this is my illusion.

I'm lost in a dream of you and me, so caught up in confusion.

When will brothers stop the fight? When will our minds be free?

I was born to find the light, this is my oddysee.

This is my odysee!
