How can't you see?
When you've got the rain
in your eyes that keeps
you looking down
Or rather say
with a different name
Doesn't have to be
your story now

Hey,
you'll never find love
with them
When you only see the cloud
in him
And he only takes for good
what he can break
I'll never take from you
babe

You close a door
on the reaching
Never pull it out
And you wonder why
You put your clothes
And you walk on by
Cause your heart is mine
And you close your eyes

Hey,
you'll never find love
with them
When you only see the cloud
in him
And he only takes for good
what he can break

I'll never take from you
Hey,
you'll never find love
with them
When you only see the cloud
in him
And he only takes for good
what he can break
I'll never take from you babe
