When you sing
You sing loud
Rewind
And build the fires
Around my heart
You shake off legs
It could be dark
You can know me babe
You can know me
Like you know me yea
You break round again
You break round again

When you sing
You sing loud
Rewind
When you sing
You sing loud
Rewind
And build the fires
Around my heart
You shake off legs
It could be dark
You can know me babe
You can know me babe
You can know me
You break round again
You break round again
You break round again
You break round again

And build the fires
Around my heart
You shake off legs
It could be dark

You can know me babe
You can know me babe
You can know me babe
You can know me babe
You can know me babe
You can know me babe
You can know me

And build the fires
Around my heart
You shake off legs
It could be dark
You can know me babe
You can know me babe
You can know me babe
You can know me
