All I've ever done, All I've ever been, in the wind.

Make a better plan, be a better man than you were.

Our remedies often lie within.

Persevere, the future's here.

Make no thought your prison now

Living a life that's more than a cow

Make no thought your prison now

Living a life that's more than a cow - Just eating and sleeping hey!

Human beings replaced by machines

Biorhythm algorithm.

Make no thought your prison now

Live in a life that's more than a cow

I've made myself a secure prison to be lived in
