When Steve Wright's on the radio  
I'm happy as can be  
'Cause that's when I have loads of grub  
Hey, I'll eat anything me.

I'll have mashed potato, steak and kidney pie with  
mushy peas  
Bacon, sausage, onion bhaji, aye, spaghetti bolognese  
Egg and ham, Spam, cabbage, egg, burger, chips and  
beans  
Taramasalata, fried tomato  
And that's before me tea!

Which is chicken curry, biryani, loads of fried rice  
Beef and turnip, gravy, yorkshire pudding, lovely, very  
nice  
Toasted bread with cheese and pickle, peanut butter by  
the score  
I suppose I'll have to run up to the shops to get some  
more!

Semolina, pasta shells, mince and dumplings on the  
top  
Aye, corned beef hash, lots of mash, bottle of fizzy pop  
Then there's beefy stew, carrots too, potatoes, lemon  
and lime  
When I listen to me radio  
I have a canny time

Sing-a-song o' sixpence  
I love me stir-fry  
Four and twenty savalloys  
Beef and onion pie  
When the pie was open  
I stuffed it in me face  
Wasn't that a canny dish?  
Why aye, it's really ace!

Hey man, it's amazing just how much I love me scran  
I bet you I can eat more scran than Kevin Keegan can!

I have ravioli, macaroni, cauliflower cheese  
With salami, lettuce, broad beans, double helping  
please  
Then there's jam roly-poly, with some custard on it too  
Hey I love to have a munch for me lunch, aye I do!

I'll have mashed potato, steak and kidney pie with  
mushy peas  
Bacon, sausage, onion bhaji, aye, spaghetti bolognese  
Egg and ham, spam, cabbage, egg, burger, chips and  
beans  
Taramasalata, fried tomato,  
And that's before me tea!

Which is veggie pasty, chicken sarnie, loads of broccoli  
Put some ketchup on me sprouts, mushroom, parsnip,  
celery  
Give uz toad-in-the-hole, give uz loads of ice cream  
'Cause I'm Mr. Food  
And I'm always starving, me!

[Spoken]  
Hey great! Me supper's ready. Ain't half peckish, like.  
Where's me coffee gone. Ah, there it is.  
Hey, when I go on me holidays, there'll be stacks of  
grub you kna'!  
Frankfurters...  
Apple strudel...  
Schnitzel...  
Frogs' legs... [fades]
