Me and my chick were out of our gore  
Stoking it home in my 40 Ford  
Flipping by the way-out pad  
Of the way-out cat old Rod McDadd  
We stopped to dig the crazy sound  
And saw old Rodney all unwound  
Doing the weirdo wiggle to a crazy song  
We let old Rodney lead us on  
Weirdo wiggle, weirdo wiggle

The weirdo wiggle was done like this  
A forward wheelie and a second-gear miss  
Double clutch and do it again  
Pop your shoot and that's the end  
Weirdo wiggle, weirdo wiggle

Mr Shift was coming on  
Rocking and grinding to the crazy sound  
Then Mother's Worry got the beat  
Scratching and a clawing with his wrong shift feet  
Weirdo wiggle, weirdo wiggle

Everybody dug the dance  
But against old Dadd they couldn't stand a chance  
He'd jimmy his shoulders and his tummy would jiggle  
Rodney's the king of the weirdo wiggle  
Weirdo wiggle, weirdo wiggle  
Weirdo wiggle, weirdo wiggle
