Twenty-two-year-old in a convertible
Driving fast he hit a cat and
Killed him on the spot
He went unchecked but there was nothing left
Feeling bad he drove away and
Never got caught

Little Johnny White came home from school one night
He saw his pet cat in the road and
Cried
Poked it with a stick and it started to kick
It seemed to him his pet cat hadn't
Died

[Chorus:]

Well I don't know what you think
I think I know how this ends
I saw this in a movie once
While hanging with sofa friends
A pet dies and comes back to life
He gets gross as he kills everything in sight

Got home that night and he saw his cat inside
Paws as red as blood is red as
Blood can be
He got it right it was pretty late at night
All the rooms he looked inside his
Family had died

[Chorus]

Cat killer, cat killer kills tonight
Cat killer, cat killer kills for fun
Cat killer can't hear you scream
Cat killer, cat killer

Cat killer, cat killer kills tonight
(Cat killer, cat killer kills tonight)
Cat killer, cat killer kills for fun
(Cat killer, cat killer kills for fun)
Cat killer can't hear you scream

(Cat killer can't hear you scream)
Cat killer, cat killer

Cat killer, cat killer kills tonight
Cat killer, cat killer kills for fun
Cat killer can't hear you scream
Cat killer, cat killer
