Tonight my dear we need a sacrifice
Your lips won't satisfy my appetite
This girl has fallen ripe with pestilence
My stomach aches from the taste of consequence

Undress these wounds
It's show and tell
Living decay
My pale skin crawls

With these ugly words
Dripping from your mouth
It seems so absurd
Murdered by impatience
You can mark these words
Strangled by your heart strings
I'll destroy them all

If you could live 1,000 lives
I'd watch you die 1,000 times

This empty cast
This consequence
Lesions consume
They found you
Stop infection

Fantastic wounds
Decorate your arms
Soon you'll be consumed
Scars meant to be forgotten

With these ugly words
Dripping from your mouth
It seems so absurd
Murdered by impatience
You can mark these words
Strangled by your heart strings
I'll destroy them all

If you could live 1,000 lives

I'd watch you die 1,000 times
[x4]

This empty cast
This consequence
Lesions consume
They found you
Stop infection

Fantastic wounds
Decorate your arms
Soon you'll be consumed
Scars meant to be forgotten

With these ugly words
Dripping from your mouth
It seems so absurd
Murdered by impatience
You can mark these words
Strangled by your heart strings
I'll destroy them all
