His needle sewed my eyes shut.  
Soul is jailed my dear departed.  
Jesus strapped on to your chest now, who will save you  
from his darkness?

Diamonds are a girls best friend  
How could you refuse this offer?  
This is where the story ends taste my blood and live  
forever

Nervous girls they stand here waiting!  
Fingertips are chewed and severed feel this cold touch  
one more time 'cause amputations last forever

These bullets need a pretty target  
Your face looks oh so lovely tonight  
A dark farewell, my dear departed  
The story unfolds before my eyes

His needle sewed my eyes shut.  
Soul is jailed my dear departed.  
Jesus strapped on to your chest now, who will save you  
from his darkness?

These bullets need a pretty target  
Your face looks oh so lovely tonight  
A dark farewell, my dear departed  
The story unfolds before my eyes

His needle sewed my eyes shut.  
Soul is jailed my dear departed.  
Jesus strapped on to your chest now, who will save you  
from his darkness?
