I see it in your eyes  
The way you look through me  
But passions start to rise as you slide to me  
I try to hold back the tide As you undress me  
When will you realise there's so much more to me  
You don't know what you got till you've got it no more  
You don't know what you've lost till you've got it no  
more  
You don't know what you've got  
Till you've got It no more  
I gave you trust and you filed it under lust  
But if you open your mind  
You'll see past what you want me to be  
Never know what you might find  
If I'm the one I'll show you how to succumb  
Dive into the divine  
It's all up to you now  
Can I come to the head of the line  
Never get it back.. Never get it back.. Never get it back..  
Never get it back...
