Love me love me x2

I heart you  
L.o.v.e. me  
She wants to  
L.o.v.e. me  
I heart you  
L.o.v.e. me  
Love me love me  
La la la la  
L.o.v.e. me

She masturbates to my name Van Lo vibrating insane  
Lusting on my candy cane will cause addictions and  
pain  
Now when she's dropping her top then I go bang bang  
bang  
Down from sixth to the first switching gears it aint no  
thang thang thang  
She likes it nice and slow and when I take control and  
when the beat drops  
She gets it hot on the floor give me give me more on  
the floor I say give  
Me  
Give me give me more

I heart you  
L.o.v.e. me  
She wants to  
L.o.v.e. me  
I heart you  
L.o.v.e. me  
Love me love me  
La la la la  
L.o.v.e. me

Love me hug me don't try and drug me  
Get on your knees knees oh oh baby please  
City of dreams full of gleams and romantic fairytales  
Angels legs on my shoulders in the air can't you tell  
Good girls going wild hating fools love my style

I just turned her out freaky things with her mouth  
Meet me in the back meet me in the back  
Want your mind intellect this a touch you'll never forget

I heart you  
L.o.v.e. me  
She wants to  
L.o.v.e. me  
I heart you  
L.o.v.e. me  
Love me love me  
La la la la  
L.o.v.e. me

She wants to hug and love and dance all night  
Americas favorite she's like an apple pie  
Xo xo xo xo  
How deep is your love xo xo xo xo xo xo xo xo  
Uh yous a blossom girl I like what you doing my toes  
are curled  
The way you straddle up on a saddle ride just like a fire  
fighter  
Down the pole you slide, slide slide hump me rough  
built like a ford  
Hot damn you tough jump in the mud see you still real  
perty now I gots  
To get that ass real dirty

I heart you  
L.o.v.e. me  
She wants to  
L.o.v.e. me  
I heart you  
L.o.v.e. me  
Love me love me  
La la la la
