On New Years Eve
I met a girl
She scared all my friends
And then she showed me a whole new world
Holding on the phone
She drinks on the line
Her terrifying voice sent ice cold shivers up my spine
when she said

Fuck the world
Fuck the law
Fuck the kids
They have it all

On Halloween we drank alone
Didn't dress up
Didn't do whatever to find a place to call our own
But here we sit
So wisen all your nears
Move on
Get a better job
Get a better life
Don't she'd another tear
Then I said

Fuck the world
Fuck the law
Fuck the kids
They have it all

On New Years Eve
I met a girl
She scared all my friends to death
And then she showed me a whole new world
And when we're gone
We'll leave a trail
Soon we'll make a fire
And we'll rip apart this cell
And we'll say

Fuck the world

Fuck the law
Fuck the kids
They have it all
