Yo you can never walk like me, ask ya man I'm his New

They checking my track records, I'm hotter then black

Ah-ah-ah-ah-ah Ahh
Don't touch me honey, get a little paranoid when I count
my money
Tell em to get security, Ima need about thirty
Armed guards, preferably large dudes
With muscles, ready to take a charge
Ahh, got them all screaming free Remy Ma
Now when I do it, it get done, now holla at the thicker
one
Said when I do it, it get done, now holla at the thicker
one
You know I only come out on occasion
It's Young Nicki and Miss Daja

Chorus

That walk, that girl she got the mean walk
Yup I got a mean walk
That walk, that girl she got the mean walk
Yup I got a mean walk
She must be a model, she's shaped just like a coke
bottle
Look at her sw-i-itch, she's oh so thick, she making me
sick
Cause I know she got the meanest walk
