Sometimes I find  
I'm haunted by ghosts of the past  
They're in my mind  
Please tell me that this feeling won't last  
It hinders me  
My eyes on what I left behind  
And they know well  
Distract me or else I might find

All the good God's got in store for me  
It's the last thing they want me to see  
The enemy's real, they play on my feelings  
and tell me I'll never be free

But I'm walkin' on, I'm movin' forward  
Today the dead bury the dead  
I'm ridin' on, I'm movin' forward  
Pressin' on for the glory ahead  
I'm movin' on

Oh I'm movin' on  
I'm gonna shake the dust right off my feet  
And leave without a sound  
I'm movin' on

Just when I think  
I've got it all under control  
I start to sink  
Like Peter waves swallow me whole  
Regrets long past  
And failures I can't seem to lose  
The nightmare lasts  
Cause satan doesn't want me to choose

All the good God's got in store for me  
It's the last thing he wants me to see  
The enemy's real, he plays on my feelings  
and tells me I'll never be free

But I'm walkin' on, I'm movin' forward  
Today the dead bury the dead

lâ€™ m ridinâ€™ on, lâ€™ m movinâ€™ forward  
Pressinâ€™ on for the glory ahead  
M m m movinâ€™ onâ€!  
lâ€™ m pressinâ€™ forward  
Today the dead bury the dead  
lâ€™ m walkinâ€™ on, lâ€™ m movinâ€™ forward  
Pressinâ€™ on for the glory ahead  
lâ€™ m movinâ€™ onâ€!
