In your twisted world  
A walking jail  
You bear it all  
To make the sale  
I doubt you fully  
Comprehend  
The hell you cause  
In souls of men

Pseudo sacred circus  
Drenched in blood  
Dragging shackled spirits  
through the mud  
Pseudo sacred puppet  
Sin no more  
If you sell the sacred  
Is it sacred anymore?

You were bought at a price  
You are not your own  
Precious princess, don't be a slave  
Please just let it go

So you wonder where  
You'll go from here  
Burdened by your guilt  
And crippling fear  
Would you see yourself  
Break free today?  
Jesus walks beside you  
And He'll help you walk away

Pseudo sacred circus  
Living hell  
We haven't finished falling  
Since we fell  
Pseudo sacred puppet  
Cut your strings  
You were destined  
for much greater things

You were bought at a price  
You are not your own  
Precious princess make your escape  
You can still go home
