BARRY:

Nobody knew who he really was
But they called him Mambo when he played

KID CREOLE:

He became the King
King of Latin Swing

BOTH:

And oh, the music that he made

Hey Mambo

Did your mama teach you that
Hey Mambo
Did she know what she begat

KID CREOLE:

They used to come in their fancy threads
And he always turned them inside out

BARRY:

They would jam the floor

BOTH:

They would beg for more

BARRY:

And when they got it they would shout

BOTH:

Hey Mambo
Did your mama teach you that
Hey Mambo
Did she know what she begat

BOTH:

Take it away
Do it again
Hey Mambo
