I feel, I walk
My body lies
I am lying here with you in my bed
I'm not asleep
But do not show
Though you know it, you don't want me to go

So go check
Goodbye
Okay?

Go check
Goodbye
Arrive

We're side by side
Our heads unmove
I know you're talking, but I don't hear what you say
You're watching me
And do not show
All I know is that I just want you to...

Go check
Goodbye
Okay?

Go check
Goodbye
Arrive

Go check
Goodbye
Okay?

Go check
Goodbye
Arrive

So go check
Goodbye
Okay?

Go check
Goodbye
Arrive

So go
Check
Goodbye
Okay?
Go
Check
Goodbye
Arrive
