There's an anchor that's pulling on my heart

And it's deep in the water but it can't take me down

Tracing faces with fingers and we're just the same as we were

Just our eyes never found what I see now

That my feet are on the ground

'Cause I'm not lost, just looking for footprints

I'm taking it, one step at a time and I'm getting by

By the way, it's you on my mind

It's you on my mind

And here comes the night

Pulling puppet strings on my heart again

Shows me all of this time I've been blind to this waking life

Now I see it everywhere

'Cause I'm not lost, just looking for footprints, yeah

And I'm takin' it, one day at a time and

I'm gettin' by

By the way, you're still on my mind

You're still on my mind

I can't see you but I know you're here

I know you're here

I know you're here

I'm not lost, just looking for footprints

I'm taking it, one step at a time and I'm getting by.

By the way

I'm not lost, just looking for footprints

And I'm takin' it, one step at a time and

I'm gettin' by

And you're still on my

Oh, you're still on my mind

You're still on my mind
Oh, you're still on my mind
Oh, you're still on my mind
