You think white power means getting paid
You think that acting tough will help get you laid
You pass yourself off as a renegade, but
You couldn't get arrested at a gay pride parade

Weekend white warriors, part-time white power "Oi!"
Where you gonna run when the mudslide hits the land?
Weekend white warriors, part-time white power "Oi!"
Will you fight for black or white when RAHOWA is at
Hand?

The time has come for me to set the record straight
You'd love no better than to integrate
It's the Aryans that you agitate
Just like the muds you pretend to hate

Weekend white warriors, part-time white power "Oi!"
Where you gonna run when the mudslide hits the land?
Weekend white warriors, part-time white power "Oi!"
Will you fight for black or white when RAHOWA is at
Hand?

You claim to be an Aryan, you're a hard-left
Libertarian
With skins around it's "Oi! Oi! Oi!" but we all know
It's a ploy
You're a traitor, plain to see: a pale aborigine
I can't wait to see you dead, you scummy little closet
Red

To the resistance you are a disgrace
We're going to put you back into your place
You live in shame, we know your face
Dishonored, you betrayed your race

Weekend white warriors, part-time white power "Oi!"
Where you gonna run when the mudslide hits the land?
Weekend white warriors, part-time white power "Oi!"
Will you fight for black or white when RAHOWA is at
Hand?
