Dr. seuss is dead
We await life
Dr. seuss is dead

A cloud of flies obscure the sun
A stone is dropped the dream undone
Ripples grow and ride the tide
The dead things crawl from deep inside

With its dying, sour breath
The burning smell of insect flesh
Hungry things in circles crowd
Around tv's turned up too loud

(Go) We are the dead next door
(It's up too loud) Where the dirty needles shine and
litter the floor
(It's up too loud) Taste the light, inject the lord
(It's up too loud) I cut myself again because I'm so
fuckin' bored
(It's too fuckin' loud) We are the dead next door
(It's too fuckin' loud) Where the dirty needles shine and
litter the floor
(It's too fuckin' loud) Taste the light, inject the lord
(It's too fuckin' loud) I cut myself again because I'm so
fuckin' bored
Motherfucker!

We await life
Dr. seuss is dead

The dream is swirling, I'm alone
Where the streets are paved with bone
Buildings with a hundred eyes
Watch me through the swarming flies

Behind shades pulled down tight
Things are growing without light
Hungry things in circles crowd
Around tv's turned up too loud

(Go) We are the dead next door
(It's up too loud) Where the dirty needles shine and
litter the floor
(It's up too loud) Taste the light, inject the lord
(It's up too loud) I cut myself again because I'm so
fuckin' bored
(It's too fuckin' loud) We are the dead next door
(It's too fuckin' loud) Where the dirty needles shine and
litter the floor
(It's too fuckin' loud) Taste the light, inject the lord
(It's too fuckin' loud) I cut myself again because I'm so
fuckin' bored
Motherfucker!

The dream sea has been poisoned
The stop light flashes me red (Motherfucker!)
Innocence suffocated in its sleep
Dr. seuss is dead (Motherfucker!) (verse X2)

Dead (repeat)
He's fuckin' dead
