

Murder Death Kill

"No More Sanctuary"

Take a look around you
These walls you hide behind.
You try to find escape
Come to terms that this is your fucking fate
Tears of blood stream down your face.
Your breath grows shallow.
The things you thought kept you safe will eat you alive
Death is on the horizon
Taking back unclear souls.
There's no more sanctuary
Your remains turn to dust
A clear cut path in my vision.
Step by step
I am closer to glory.
No one can hold me back from unwalked chapters in
my story.
Time heals all wounds or so they say.
You hope it's true
The reality is no amount of time can save you.
