Murder Death Kill "Suffocation"

The sight of you disgusts me.

You walk blindly through

The life that's

Handed to you.

There's no turning

Back now

It's only forward

From here.

Hope for you has faded

Away.

Death is staring you in

The face.

I'll accurate you with

Suffocation.

Feel the cold steel of a

Knife tearing through your

Throat.

Try hard to take

Your last

Breath before your

Lungs fill

With blood for what

You've done.

Your brains cover

Every inch

Of

My walls.

This is a

Nightmare

You won't

Wake up from.

You'll cry no more tears.

You'll fear no more

Pain once you've bled out

You'll burn for

What you've done.
