He's the one in all  
Who takes the chances  
Brave enough to fall  
And rise again  
Fearless through to fall  
He walks with danger  
I'm not alone  
He makes me feel strong  
Not afraid to face the day  
When the world comes down  
And the thunder strikes  
Counting down the hours  
Through the poring rain  
And the burning flames  
He's my hero  
'Til the world remains  
A much safer place  
I look at the horizon  
As the world comes down tonight  
Tonight  
Watching out for harm  
To keep me guarded  
He will not be seen  
But I know he's there  
I'm not alone  
He makes me feel strong  
Not afraid to save the day  
When the world comes down  
And the thunder strikes  
Counting down the hours  
Through the poring rain  
And the burning flames  
He's my hero  
'Til the world remains  
A much safer place  
I look at the horizon  
As the world comes down tonight  
I turn down the lights  
And I give him time  
He will keep me safe, put his life at  
Stake

Save my life!  
(When the world comes down  
And the thunder strikes)  
I will counting down the hours  
Through the poring rain  
And the burning flames  
Yeah, he's my hero  
A much safer place  
I look at the horizon  
As the world comes down tonight  
As the world comes down tonight  
Tonight  
He's my hero
