Doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo

I know life sometimes
Can spin your head around
Don't let the world get on top of you
Turning you upside down

Better days are coming
Just remember one thing
Wherever you are, near or far
You know you're never alone

No no, you're not alone

Anytime, anywhere
You can call on me and I'll be there
Someone you can rely on
Be a shoulder you can cry on

Anytime, anywhere
You can trust me in me, I'm always there
To give you all my loving
Say the word I will come running

Anytime you need me to
I'll be there for you

Doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo

Sometimes can't see the light
Though it's shining all around
It's alright, the future is bright
And the walls will come tumbling down

Better days are coming
(Better days are coming)
Just remember one thing
Wherever you are, near or far
You know you're never alone

No, no, no, no, baby

Anytime, anywhere
You can call on me and I'll be there
Someone you can rely on
Be a shoulder you can cry on

Anytime, anywhere
You can trust me in me, I'm always there
To give you all my loving
Say the word I will come running

Anytime you need me to
I'll be there for you

Doo doo, doo doo doo doo
Doo doo, doo doo doo doo

Anytime, anywhere
Say the word, I'll be there
I'll be your light, be your friend
I'll be there to the end

Anytime, anywhere
Say the word, I'll be there
I'll be your light, be your friend
I'll be there to the end

Anytime, anywhere
You can call on me and I'll be there
Someone you can rely on
Be a shoulder you can cry on

Anytime, anywhere
You can trust me in me, I'm always there
To give you all my loving
Say the word I will come running

Anytime you need me to
I'll be there for you

Anytime, anywhere
Say the word I'll be there
I'll be your light, be your friend
I'll be there to the end

Anytime, anywhere
Say the word I'll be there
I'll be your light, be your friend
I'll be there to the end
