Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you

Hold on to what you try to be, your individuality  
When the world is on your shoulders  
Just smile and let it go  
When people try to put you down  
Just walk on by don't turn around  
You only have to answer to yourself

Don't you know it's true what they say  
That life it ain't easy  
But your time's coming around  
So don't you stop tryin'

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you

Try not to worry 'bout a thing  
Enjoy the good times life can bring  
Don't keep it all inside you  
Gotta let let your feelings show  
Imagination is the key 'cause you are your own destiny  
You never should be lonely when time is on your side

Don't you know, it's true what they say  
Things are sent to try you  
But your time's coming around  
So don't you stop tryin'

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you

Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you

Don't you know, it's true what they say  
Things happened for a reason  
But your time's coming around  
So don't you stop tryin'

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you

Don't stop never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you
