Cross my heart  
We say  
Cross my heart  
I'll be

We got it all  
And we'd be fools to let it go  
Cos I need you more and more  
You're my life, and I live  
For your love that you give  
And although my journey's long, I'll soon be home  
It's gonna be so hard on my own  
But I won't be alone

Cross my heart and tell no lies  
No one's leaving you behind  
Just because we said goodbye, baby  
Cross my heart I do believe  
In my thoughts and in my dreams  
I'll be taking you with me, baby

Sometimes I think  
That I can feel you breathin' on me  
You're there so deep inside  
And I like, what I feel  
Though it's not, always real  
It helps me carry on, till I come home  
It's gonna be so hard on my own  
But I won't be alone

Cross my heart and tell no lies  
No one's leaving you behind  
Just because we said goodbye, baby  
Cross my heart I do believe  
In my thoughts and in my dreams  
I'll be taking you with me, baby

Dream a dream a dream a dream a dreamin'  
Wherever you are you're near me  
Please believe believe believe believe in  
Whatever I say I cross my heart

Cross my heart and tell no lies  
No one's leaving you behind  
Just because we said goodbye, baby  
Cross my heart I do believe  
In my thoughts and in my dreams  
I'll be taking you with me, baby

Cross my heart and tell no lies  
No one's leaving you behind  
Just because we said goodbye, baby  
Cross my heart I do believe  
In my thoughts and in my dreams  
I'll be taking you with me, baby
