Baby
I know I can see what you like
As your standing by the dance floor
Baby
You've got something that you need to find
I can feel it that you want more

Take your body over to the floor
It's much too soon to hit the door
Stop
Let's make it tonight
Don't fake it
There's no need to analyze
Now's the time to recognize
Go
And jump in the light
Invade it

Dance
Let the music take you over
Dance
Let the beat become your lover
Dance
You can't stop it baby it's your life
Woah woah

Dance
Da-a-a-a-ance (everybody just dance tonight)

Dance
Da-a-a-a-ance (oh)

Lately
You've been searching for the other side
There's a feeling to discover
Baby
You can feel it in the air tonight
Let the groove just take you over

Take your body over to the floor
It's much too soon to hit the door
Stop

Let's make it tonight
Don't fake it
There's no need to analyze
Now's the time to recognise
Go
And jump in the light
Invade it

Dance
Let the music take you over
Dance
Let the beat become your lover
Dance
You can't stop it baby it's your life
Woah woah

Dance
Let the music take you over
Dance
Let the beat become your lover
Dance
You can't stop it baby it's your life
Woah woah

Dance
Da-a-a-a-a-ance

Dance
Da-a-a-a-a-ance (yeah yeah)

Dance
Da-a-a-a-a-ance (oh dance)

Everybody just dance

I've been thinking
It's time to discover
A new religion
From one to another

Da-da-dance
Let the music take you over
Dance
Let the beat become your lover
Dance
You can't stop it baby it's your life
Woah woah

Dance
Let the music take you over
Dance

Let the beat become your lover
Dance
You can't stop it baby it's your life
Woah woah

Dance
