Come out and play with me baby like girls do
Come on and play with me baby right now
I wanna stamp to the music
You know how much I like it
When you turn me around

I can't stop
I can't come down

Why don't we dance to the music like boys do
Why don't we dance to the music right now
I wanna move with you baby
You know how much I like it when you turn me around

It's so high
I can't come down

Why don't we do it 'til we drop
(So why)
(So why)
(Why)
Why dont we start it up and never stop
(Don't stop)
(Don't stop)
Why don't we dance
Get the girls with the boys
And the boys with the girls
It's easy to see when you're here with me
Together we'll make it forever

Over here
Over there
You're looking for me
Let me get down my special lady
I've been watching you watching me
Girl all night
I've been sitting and waiting for your green light
Clock is ticking and you still don't bite
If only I knew what was on your mind

And I just gotta let you know that you're the one

I want you so

So we can talk for a moment
I'll tell you all of the secrets inside of my mind
I think it's time that I told you
I wanna get to know you before we run out of time

It's so high
We can't come down

Oh
Won't you stay with me baby 'til daylight
And stay this way 'til the end of all time
I wanna be with you darling
You know how much I like it when you turn me around

It's so high
We can't come down

Why don't we do it 'til we drop
(So why)
(So why)
(Why)
Why dont we start it up and never stop
(Don't stop)
(Don't stop)
Why don't we dance
Get the girls with the boys
And the boys with the girls
It's easy to see when you're here with me
Together we'll make it forever

If you wanna have fun with me
Just come to my drum with me
We can get freaky deaky
When you wanna slow down see me
And slide your body right next to me
No need to rush
We can take it slow
Get down with the rythyms 'cause I'm feeling your flow

And I just gotta let you know
That you're the one
I want you so

Why don't we dance to the music like boys do
Why don't we dance to the music right now
I wanna move with you baby
You know how much I like it when you turn me around

It's so high

I can't come down

Why don't we do it 'til we drop
(So why)
(So why)
(Why)
Why dont we start it up and never stop
(Don't stop)
(Don't stop)
Why don't we dance
Get the girls with the boys
And the boys with the girls
It's easy to see when you're here with me
Together we'll make it forever

Why don't we do it 'til we drop
(So why)
(So why)
(Why)
Why dont we start it up and never stop
(Don't stop)
(Don't stop)
Why don't we dance
Get the girls with the boys
And the boys with the girls
It's easy to see when you're here with me
Together we'll make it forever
