(Don't stop movin to the groovy, groovy beat)  
(Don't stop movin to the groovy, groovy beat)  
(Don't stop movin to the groovy, groovy beat)  
(Don't stop movin to the s club beat)

Dj got the party started  
There's no end in sight  
Everybody's movin to the  
Rythm that's inside  
It's a crazy world  
But tonight's the right situation  
Don't get left behind

I can feel the music  
Flowing through me everywhere  
Aint no destination baby  
We don't even care  
There's a place to be  
If you need the right education  
Let it take you there

Let's go  
With the magic baby  
I can see it's there in your eyes (I can see it's there in  
your eyes)  
Let it flow  
Stop the waiting  
Friday on the dancefloor  
Is where you gotta let it go

Don't stop moving  
Can you feel the music  
Dj's got us going around, 'round  
Don't stop moving  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
Baby now

Livin up times and the moment  
All those feelings in the air  
Don't know where we're goin

Baby, we don't even care  
Aint no mystery  
Just use your imagination  
Let it take you there

Let's go  
With the magic baby  
I can see it's there in your eyes (I can see it's there in  
your eyes)  
Let it flow  
Stop the waiting  
Friday on the dancefloor  
Is where you gotta let it go

Don't stop moving  
Can you feel the music  
Dj's got us going around, 'round (don't stop movin)  
Don't stop moving  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
Baby now

(Don't stop movin to the groovy, groovy beat)  
(Don't stop movin to the groovy, groovy beat)  
(Don't stop movin to the s club beat)

Forget about your fears tonight  
Listen to your heart  
Let's just touch the sky  
No need to reason why  
Just listen to the sound  
Let it make you come alive

Don't stop moving  
Can you feel the music  
Dj's got us going around, 'round (don't stop movin)  
Don't stop moving  
Find your own way to it  
Listen to the music  
(Yeah yeah yeah)

Don't stop moving  
Can you feel the music  
Dj's got us going around, 'round (don't stop movin)  
Don't stop moving  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
Baby now
