Don't stop movin to the funky funky beat  
Don't stop movin to the S Club beat

DJ's got the party started  
theres no end in sight  
Everybody's movin to the  
rythm thats inside  
Its a crazy world  
But tonight's the right situation  
Don't get left behind

I can feel the music  
moving through me everywhere  
Aint no destination baby  
We don't even care  
There's a place to be  
If you need the right education  
Let it take you there

Just go  
with the magic baby  
I can see it there in your eyes (I can see it there in your  
eyes)  
Let it flow  
Stop the waiting  
Right here on the dance floor  
is where you gotta let it go

Don't stop movin'  
Can you feel the music  
DJ's got us going around, 'round  
Don't stop movin'  
find your own way to it  
Listen to the music  
taking you to places that you've never been before  
Baby now

Don't stop movin to the funky funky beat

Don't stop movin to the S Club beat

You can touch the moment  
Almost feel it in the air  
Don't know where we're goin  
Baby, we don't even care  
Aint no mystery  
Just use your imagination  
Let it take you there

Just go  
with the magic baby  
I can see it there in your eyes (I can see it there in your eyes)

Let it flow  
Stop the waiting  
Right here on the dancefloor  
is where you gotta let it go

Don't stop movin'  
Can you feel the music  
DJ's got us going around, 'round (don't stop movin')  
Don't stop movin'  
find your own way to it

Forget about your fears tonight  
Listen to your heart  
Let's just touch the sky (listen to ur heart)  
No need to reason why  
Just listen to the sound  
Let it make you come alive

Don't stop movin'  
Can you feel the music  
DJ's got us going around, 'round (don't stop movin')  
Don't stop movin'  
find your own way to it  
Listen to the music  
(Yeah yeah yeah)

Don't stop movin'  
Can you feel the music

DJ's got us going around, 'round (don't stop movin)  
Don't stop movin'
