Said the fight to make ends meet keeps a man upon
his feet
Holding down his job
Trying to show he can't be bought

Ooh
It takes every kind of people to make what life's about
Yeah
Ooh
Every kind of people to make the world go round

Someone's looking for a lead in his duty to a King or to
a creed
Protecting what he feels is right
Fights against wrong with his life

There's no profit in deceit
Honest men know that revenge do not taste sweet
Whether yellow
Black or white
Each and every man's the same inside

Ooh
It takes every kind of people to make what life's about
Yeah
Ooh
Every kind of people to make the world go round

You know that love's the only goal that could bring a
peace to any soul
Hey
And every man's the same
He wants the sunshine in his name

Ooh
It takes every kind of people to make what life's about
Yeah
Ooh
Every kind of people to make the world go round

It takes every kind of people to make what life's about

Yeah
Ooh
Every kind of people to make the world go round

Every kind of people to make what life's about
Yeah
Every kind of people to make the world go round
