Help us get this started  
Everyone's excited  
We'll spend the whole time groovin'  
'Cos what we really like is to party on Friday night

I got my friends and we're here to groove  
(Na na na na na)  
Nothing's wrong, ain't nothin' to prove  
(Na na na na na)  
Don't need no cash just bring a friend  
(Na na na na na)  
'Cos we're gonna party all night again  
(Na na na na na)

1 can make a party  
2 is not enough to get down  
3 you'll still get lonely, 'cos tonight's the night for  
crowds  
You can make it better  
We can help a little bit too  
Us and you together there ain't nothin' we can't do

Help us get this started  
('Cos it's time to call your friends)  
Everyone's excited  
('Cos it's Friday night again)  
We'll spend the whole time groovin'  
(Just like we do)  
'Cos what we really like is to party on Friday night

Schools out now it's time to play  
(Na na na na na)  
Weekends come like a holiday  
(Na na na na na)  
Best thing is now I got my crew  
(Na na na na na)  
And if you want you can join us too  
(Na na na na na)

1 can make a party  
2 is not enough to get down  
3 you'll still get lonely, 'cos tonight's the night for

crowds  
You can make it better  
We can help a little bit too  
Us and you together there ain't nothin' we can't do

Help us get this started  
( 'Cos it's time to call your friends )  
Everyone's excited  
( 'Cos it's Friday night again )  
We'll spend the whole time groovin'  
( just like we do )  
'Cos what we really like is to party on Friday night

Monday, Tuesday come and go  
Wednesday, Thursday sometimes slow  
Friday comes, just like a dream  
We'll party until it's time to leave
